CAKENIGHT FOR TEAMS

Team building that actually tastes good.

Trade the trust falls for buttercream.

★ 5.0 and ★ 4.7 on Google (our moms wrote none of them)

Every guest decorates their own **6" two-layer cake** while a real decorator coaches every step. No experience, no baking, no cleanup. Just laughs and serious bragging rights.

- A real decorator coaching every step
- A box to get their masterpiece home in one piece
- A gluten-friendly option, if needed

More than 200 km from Edmonton? Travel and accommodation are added on top.

Why teams love it

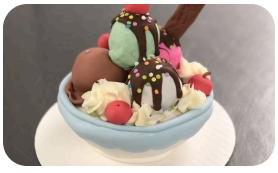

Zero skill required
Accountants, engineers, Mounties: everybody leaves with a cake they're proud of.

Built-in bonding
Shared tables, friendly trash talk and a group photo of the cakes.

Zero planning headaches
We bring it, run it and clean it up. You just send the invite.

A few of our designs. We'll help you pick one your crew will love.
